**Subject:** Meeting on the 19th to discuss the Nafion Byproduct study

Hi Chris,

Donna is on travel and I am not sure whether we have a sac or just dosing on the 19<sup>th</sup>. I'll get back to you on Monday when she and I get a chance to figure out where we stand. There are two weeks left before Johnsie Lang has to leave and we're trying to get as much done as possible before that.

Neil
